

ANNOUNCING CASA VERDE—ROCHESTER'S FIRST LUXURY GREEN HOME.

BALANCE **NATURE.** BALANCE **HOME.** BALANCE **LIFE.**

LIVE IN GRACEFUL, NATURAL HARMONY. This exquisite design showcases leading sustainable construction techniques and technology, and reflects our uncompromising commitment to excellence and innovation by:

- Educating the community on the benefits of sustainable building
- Utilizing renewable materials and sustainable building practices
- Ensuring efficient energy control
- Providing healthy living for our homeowners and their families

DREAM HOME DETAILS

- Gold Star rated by the LEED for Homes program (Leadership in Energy & Environmental Design)
- Fulfills Minnesota Green Star requirements
- Meets national best-practices in health and environmental construction standards
- Prime southwest Rochester location
- Scheduled for completion in 2009

Elegant living—set clearly above the rest.
